

Merchant Data GDPR Privacy Policy

The terms “TM Information Systems” or “us” or “we” refer to EPOS Plus whose registered office is ‘TM Information Systems, 85 Redhouse Road, Cardiff CF54FH. Our company number is ‘08873139’ registered in England and Wales. The term “you”, “your” refers to the business owner who uses our software.

We, as the Data Processor, can be contacted via email on info@tminfosys.co.uk or by calling 02921660607.

We, as a software provider, process your business data which include your customers’, users’ personal and any other relevant data to fulfil your business need.

In line with GDPR we process data by taking written consent and instruction from you and process your business data with honesty for the sole purpose of your business by programmatically through the use of our software. Most of the data processing takes place through the interaction of users of our software. Some of the data processing takes place by software automatically.

Your customer and business information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

If you are located outside United Kingdom and choose to provide information to us, please note that we transfer the data, including Personal Data, to United Kingdom and process it there.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

TM Information Systems will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

We do not provide any direct functionality to you to delete your customers’ data to prevent accidental data deletion. We always advise you to instruct us whenever data deletion is needed we can implement it within a reasonable time.

In the case when you stop using our software as part of our data processing we keep your business data and database for up to 30 days. Within this 30 days period if you need any of your data you will need to send us a written request to info@tminfosys.co.uk by specifying what type of data you need. After 30 days period as a process of data safeguarding we delete and destroy the abandoned database we allocated for your business.

TM Information System has no control over how you may use your business data. And it is down to you to ensure that you have policies and safeguards in place to prevent any misuse, inappropriate data usage or sharing of your customers data.

We keep this Policy under regular review and may change it from time to time. If we change this Policy we will post the changes on this page, and may place notices on other pages of the website as

applicable, so that you may be aware of the Information we collect and how we use it at all times.
You are responsible for ensuring that you are aware of the most recent version this policy.
